Date of Signature

Sir:

The present Preliminary Amendment is filed concurrently with the filing of a continuing application of copending application Serial No. 07/824,740 filed 21 January 1993. In the parent case, a Notice of Allowance was mailed on 11 March 1993 but the issue fee has not yet been paid.

Kindly amend this application in the following respects:

In the Specification:

On page 7, line 18, after "1987" insert --, now abandoned, its continuation Serial No. 07/188,237, now U.S. Patent No. 4,935,237; and its continuation Serial No. 07/539,987, now U.S. Patent No. 5,037,646.--.

One page 15, line 3, change "two" to --five--; in line 5, insert a comma after "plasmin" and delete "and" and after "kringle" insert --1-containing domain, a kringle 2- --; in line 6, after "binding" insert --, a finger domain, and a growth factor domain--.

On page 16, line 15, change "(1974)," to --(1974);".

On page 17, line 6, change "glucosidically" to --glycosidically--.

On page 18, line 16, change "indicate" to --indicates--.

On page 21, line 6, delete "copending"; in line 7, after "supra" insert --, now abandoned--.
